March 5, 1969

N

Correspondence with Harold Weisberg, Coq d'Or Press, Route 8, Frederick, Maryland 21701.

L

We enclose two letters from Mr. Weisberg dated February 28, 1969, with a draft of a reply to one of the two letters.

As you know, the question of releasing the "memorandum of transfer" of the autopsy photographs and X-rays of President Kennedy to which Mr. Weisberg refers in his other letter has been under consideration since Mr. Weisberg's original request. We have no information concerning the present status of the matter.
